ONE DOLLAR A YEAR IN ADVANCE

TINSLEY EXPLAINS RE- ARDING OUR STREET IM- PROVEMENT.

Advocate called on Mayor Tinsley a week for a statement concerning the street improvement work for this year, and received him the following.

Present Board of Council were upon their pre-election promise to improve the streets of the city. Immediately after taking office they set out to devise plans to that end. It was realized, as the people of the city realize, that the income of the city for any year, or for any reasonable number of years, is not sufficient to provide funds for street work after deducting the fixed charges of the municipal government. It was felt also, that owing to the failure of results from the bonds voted by the county in 1915 a bond election would not carry; and even if such an election would carry, the amount of bonds which could be issued, would not be sufficient to pave more than the streets in the business center of the city and around the public square; and that to improve these few streets, at the expense of the whole people was manifestly unfair. Therefore, the immediate improvement being necessary, as all will admit, the only way left open was to cause their improvement at the expense of the abutting property owners and when this manner is considered fully and thoroughly, it will be seen that, if the cost of construction is kept within reasonable limits, it is the really fair way to everybody in which to improve the streets. The names of the streets to be improved will be found in the City Ordinance published in this issue.

Just how many of these streets will be improved by hard surfacing has not been determined, and will not be until the engineer's work has been completed and estimates produced.

However, such as are improved, will be done on the ten year payment plan under which each separate improvement is taken as a unit, the total of improving that street ascertained, and when finished, assessed at each piece of property abutting the improvement at a cost per foot in proportion to the assessed cost. The property owner with thirty days after completion of the work may either pay cash, or elect to pay in ten annual installments, which are paid at the time general taxes are paid. For all who elect to pay in installments the Council issues bonds, which are secured

by liens on the property abutting the improvement to the extent only of the cost chargeable to each piece of property, one of which is paid each year from the annual payments made by the property owners. And when each property owner has paid the amount charged against his property the lien is released.

Thus, the people who reside on any street which is not improved will pay no part of the cost of the improvement; and only those whose property is improved, will pay the cost thereof. Streets which are not improved with hard surface material, will probably be improved by grading, rolling and draining, as the Council will determine when estimates of cost has been prepared.

However, the Council will not impose any hardship on any person. This idea now being circulated that people are going to be "broke up" or their property taken to pay for its improvement is without foundation. The Council are without power to do either, even if so determined. The law will not permit one to be "improved" out of his property.

Just as soon as the engineer completes his work on the ground and furnishes the Council with his estimates of the cost on each street, the Council purpose to give information to the people. Nobody is going to be kept in the dark. If the cost is prohibitive more than the people or the property on any street can reasonably stand, then some other plan of improvement, which they can stand will be adopted.

SAN ANTONIO CHURCH ISSUES CALL TO BEEVILLE MINISTERS.

Rev. Edward H. Hudson, for many years pastor of the Beeville First Presbyterian Church, has received a call from the congregation of the Westminster Presbyterian Church of San Antonio. The Alamo City congregation seeks Mr. Hudson's permanent services as pastor of their church.

Mr. Hudson has the call under consideration. He has not made up his mind as to whether he will accept or reject the offer. Beeville would regret to give him up. He is a part of the community having been closely identified with every civic movement in this section. He is very popular with residents of whatever creed and is regarded as one of the town's main stays. His friends will await his decision with interest. (Beeville, Texas Bee.)

The infant child of Mr. and Mrs. Geo. Jarvis of Big Richland passed to eternity last week, aged 8 months. Interment at Big Richland.

PRIVATE DECREE WRITES

Mr. and Mrs. A. M. Decker are in receipt of an extremely interesting letter from their son, Private E. H. Decker. In it he says he has some souvenirs in the form of an old French rifle, probably used in the war of 1870 and certainly in this one. He has a piece of glass from the cathedral of Verdun, St. Mihiel, Vignacelle and the town where Joan of Arc was reputed to have regained her sight. Also an old French bayonet, his own helmet, "gas" (gun), gas mask and a German helmet.

Mr. Decker goes on to speak of the ghastliness of the battlefield as visited after the fighting and strewn with German dead, hapless victims of imperial lust.

He says "There is a cemetery here called Million Graveyard." Friend and foe alike lie side by side. The great commoner, death, has leveled all differences, and now, in the portentousness of a new dawn may these sacrifices on the altar of freedom and Christian civilization be an inspiration to the assembled representatives of democracy, met to decide the fate of the world."

The letter closes with an excellent comment on the necessary economic strain of the French, a description of the method of threshing and other farming procedure and has as a sole note of condemnation, the weather.

The writer is no carping critic, but sees cause and effect and views with kindly eyes that which to some of narrow spirit, might seem cause of ridicule.

RAILROAD NEAR COMPLETION.

L. L. Richardson who is engaged in the construction of the Horse Creek Railroad expects to have the work completed and ready for operation by March 1st. There are about ten miles of the railroad that is ready for operation. Smith & Riley of this city own extensive coal fields on lease to operators. W. E. Green is also interested in one of these excellent propositions.

BIRTHS

Feb. 2nd, Born to Mr. and Mrs. Ben Helton from down the river, a baby girl. Miss Roxie by name.
Feb. 5th: Born to Mr. and Mrs. W. M. Dyer, a daughter, Martha Capola.

Born to Mr. and Mrs. Carl Haggard, February 8th, a baby girl. Mrs. Haggard was formerly Miss Minnie Mutt Simmons. Congratulations to the happy parents and the fortunate baby.

RESOLUTIONS OF RESPECT

Hall of North Jellico Lodge No. 320, I. O. O. F.

Whereas: The Supreme Architect of the universe, has appointed unto every man to die, and has fulfilled that decree once more by calling from our midst our worthy brother, Frank Elliott on Jan. 29th 1919.

Therefore be it resolved, that he was a true and faithful member of our Fraternity, whose death has brought upon us a sorrow and sadness which will scarcely be removed during our short life, that he was a constant and devoted member of the Fraternity by which the walks of our members are made nobler and better; that the lodge has lost a true friend and oddfellow, the community a kind and honored citizen, and the family a devoted husband and father. That we tender our sincere sympathy to the bereaved family and bid them to take hope and consolation in that Heavenly assurance that they shall meet him again, where there is no sorrow, pain and death; that while we bow in humble submission to the Divine will, we are deeply sensible of the irreparable loss sustained by our lodge of which he was a most zealous member; that a page be set apart and these resolutions be spread there on. That a copy be furnished the family, and the Mountain Advocate and Carlin times be asked to publish same.

Done by order of North Jellico Lodge No. 320 I. O. O. F. and is fraternally submitted, in Friendship, Love and Truth, and signed by committee.

A new heater for the church will be installed in a few days, adding much to the comfort of the congregation and to the internal appearance of the church.

JOHN MIDDLETON BROUGHT HERE

John Middleton who is charged with the murder of Steve Philpot, deputy sheriff of Harlan County some two months ago was delivered here on Monday by the sheriff and Jailer of Harlan County and made bond for \$8,000.00.

He had an examination for bail before regular Circuit Judge at Harlan and Judge Davis refused to allow him bail. He then went before Judge Rose of Williamsburg on a writ of habeas corpus and Judge allowed him bail for \$8,000. The trial was transferred from the Harlan Circuit Court to the Knox Circuit Court and the trial will come up in April. He had already been convicted of murder and sentenced to the penitentiary for life. He was either pardoned or paroled. Zeb A. Stewart, attorney at Harlan was here representing defendant.

HIGH SCHOOL NEWS

Remember that you are invited to attend the Reception and Book show given by the Parent-Teachers Association to all friends and patrons on Friday afternoon, February 21st from two to five o'clock. Come and bring your neighbor.

Mrs. Joe Mitchell will have charge of the Expression Department for the rest of the year.

A fine map of Europe was donated to the school by Messrs. Beales and we wish to extend our thanks to them for this useful gift.

Mr. Aubrey Guyn has taken charge of the boys Bible Class organized in the High School Department by the Y. M. C. A. The class has entered the State contest competing for a silver cup.

Each month the names of pupils who have been neither tardy nor absent the previous month will be printed.

Last week Mrs. Geo. Tinsley donated five more books to the Library for which we are very grateful.

A splendid addition to the Library has just been completed. Mr. Cary contributing his work, built a new bookcase, extending across the entire end of the room under the windows, finished in mission finish and having six glass doors and with a capacity of 500 or more volumes. Now since we have plenty of space for books, it rests with the friends and patrons to see that it is well filled. There have been so many calls for books from the citizens of our town that the Parent-Teachers Association deemed it advisable; since there is no public library in town to issue cards which sell for 50 cents and entitles the holder to draw books from our library. We already have about 800 books and expect more after our Book Show, Feb. 21st. We have some new fiction books on the war, etc. Proceeds from sale of cards will be used to purchase more books so be sure and buy a card.

REPUBLICANS MEET.

On last Saturday the Republican County Committee assembled for the purpose of electing a Chairman to fill the vacancy caused by the resignation of Senator Lewis. The meeting was called to order by W. R. Marsee, Secretary of the Committee. Mr. Marsee stated the purpose of the meeting and called for nominations for Chairman whereupon the Hon. John H. Catron was placed in nomination and unanimously elected. Mr. Marsee then tendered his resignation, stating that he was unable to give the place proper attention. His resignation was accepted by the committee. The committee was then called upon to elect a Secretary and V. C. McDonald was placed in nomination and unanimously elected. The Republicans of this county and also of the entire state are united.

CUPID'S DARTS

February 1st, Wm. H. Lawson to June Powell, both of Swan Lake.

February 6, Steve Hibbard to Bessie Mills, both of Girdler.

February 5th, Grant Mills of Hammond, Ky., to Louie Payne of Hinkle Ky.

All these marriages were conducted at the Court House.

FELT BIGGER THAN JAY GOULD.

Mr. T. J. Kellums of Red House, Ky., who arrived in Barbourville in 1892 without a penny in his pockets and who is now a prosperous farmer in Madison County, states that the first money he earned as a boy of sixteen was forty dollars, which he received while working on the Judge Tuggle farm, now the fair grounds. When he got the four ten dollar bills he says he felt bigger than Jay Gould. In fact he did not know the difference between them. The first state he ever made a figure on he bought from John A. Black now a respected banker of this city, who at that time was running a general store. Mr. Kellums is visiting his sister, Mrs. Joe Sampson and looking up old friends.

BAPTIST NOTES.

The Baptist Institute is needing two girls to work in Brown Hall. We will give them a chance and allow them to go to school or employ their full time. Come or write at once.

A new baptistry has been built in the church and the water connections are now being made.

A new heating plant is being installed in the boys dormitory at the B. B. I.

Boys and girls from this and adjoining counties are still entering school. The outlook for B. B. I. was never brighter. We are looking forward to a period of great prosperity. Arrangements are being made to finish the third floor of the boys dormitory. This will no doubt be needed next year in order to care for the increased number of prospective students.

Every member of the church should be present Sunday morning and evening at the preaching services, that inspiration and spiritual momentum may be had for the revival which is to begin Tuesday night. Your pastor has two special messages for you looking forward to the coming of Brother DeGarmo.

REVIVAL.

Rev. J. B. DeGarmo, Evangelist, Rev. David M. Hughes, Singer.

Time Feb. 18 7 P. M.
We are glad to announce that Rev. J. B. DeGarmo will be with us again in a series of revival meetings. Bro. DeGarmo needs no introduction to the people of Barbourville. His former services with us were so well received by everyone that his reputation as a preacher of power is fully established. These meetings will begin Tuesday evening, Feb. 18th at 7 o'clock. Everyone is most cordially invited to attend all services.

OBITUARY

The many friends of Mrs. Katherine W. Ralston will greatly sympathize with her in the death of her mother, Mrs. Katherine Crawford Vige, who departed this life at the home of Mrs. Ralston on February 4th. The remains were shipped to Morganfield, Ky. for interment. She is survived by a husband and two daughters, Mrs. Ralston and Mrs. N. W. Berry, of Greensboro, N. C.

IN MEMORIAM

On Tuesday, Feb. 4th, Mrs. Ruth Hamilton Sevier, young wife of John R. Sevier, of Barbourville, Kentucky, passed from this life at the home of her father, Dr. J. M. Hamilton, Shawanee, Tenn., leaving a dear little one bearing her name, a sorrowing family and a multitude of friends.

Mr. Sevier returned in December from service in the naval branch of aviation in England and was called from the demobilization camp near New York because of the critical illness of his wife.

Mrs. Sevier, who had just passed her twentieth birthday, was greatly beloved by a large circle of friends. Her sweet disposition, gentle ways, and her music, in which she was proficient, attracted all who came under her influence. She was associated with Lincoln Memorial University both as student and teacher.

Thursday morning at ten she was borne into her home church where the memory of the dear little girl, the dainty young woman, the bride, and the happy mother of but a few days, will long linger. Her pastor, Rev. E. N. Woodward, officiated. A great profusion of lovely flowers most fitting emblem of the pure young life surrounded the casket.

Mr. A. W. Haynes, a family friend, sang two of Mrs. Sevier's favorite hymns and Prof. Nefes of the University, sang "Jesus, Savior, Pilot Me." Miss Manning, teacher and loving friend of Mrs. Sevier, at the piano expressed in the language of music the grief of separation and later the love and hope of those who know that she is "not dead, but sleeping," and the joy of the life beyond the grave where we shall meet again.

What Oil Means

Tilman Cole, of Bailey Switch, was in town Saturday and reports considerable oil taken out in his neighborhood. There is no drilling going on at present but inside of two weeks it is expected considerable activity will prevail. When Knox County hits the big gusher, Barbourville will become a city of 15,000. This may seem to be an exaggeration, but when we consider that Ranger, Texas, a burg of three hundred people, has reached that figure, it is to be expected that Barbourville will do the same, should we make a big strike.

M. E. CHURCH NOTES

On next Thursday, Feb. 20, 1919, the Barbourville Sub-District group of the Centenary will meet at the Methodist Episcopal Church at 2:30 P. M. The afternoon session will be addressed by some of the leading speakers of the conference.

The night services will open at 7 P. M. Dr. C. H. Fowler of Columbus, Ohio will be the speaker of the evening. Everyone is invited to hear this gifted orator, on the Centenary and what it means to the world in the reconstruction.

Last Sunday morning Dr. J. M. Hinkle of Union College preached on "Fishing." This was a powerful sermon and he certainly drove his message home into the hearts of the congregation.

Prof. D. M. Humfleet was Minute Man last Sunday morning and Dr. W. C. Black was minute man Sunday evening. Both made good use of their allotted five minutes.

The Sunday School reopened with renewed vigor Sunday morning.

The prayer meeting for the week will be held with Mother Cole in the Gibson Building, at the home of Gov. James D. Black and at the home of Mr. George Hutton, also one at the home of Mr. Wm. Messamore. Let the members of each district attend.

C. A. Sandals of Cleveland, Ohio, who is operating timber and charcoal and eventually chemicals at House, Ky., was in town Tuesday. The whole tract comprises 1400 acres and the plant will consist of four 50 cords kilns to burn charcoal. One is almost completed and work will be resumed on the others next week. He expects to incorporate a company to be known as the Clay Chemical Company. Several houses have been built and others are contemplated.

Cole, Hughes & Company have sold out their entire stock of dry goods to E. W. Curd & Son of Cave City, Ky., and in the future will devote all their energies to pleasing the public in the grocery, hardware and china line. The big store already has a changed appearance. When the reporter went to the sacred sanctum, known vulgarly as the office, Charley Cole and Mr. Curd were pouring over invoices and trying to beat each other out of a jitney. There was no evidence of hostilities, however. The firm asks us to express their deep appreciation for past favors and hope that their friends and customers will drop in at the old stand as frequently as before, or more so.

LAME EVERY MORNING

A Bad Back is generally worse in the morning. Barbourville People. A back that aches all day and causes discomfort at night is usually worse in the morning. Makes you feel as if you hadn't slept at all.

You can't get rid of kidney back-ache, until you reach the cause—the kidneys.

Doan's Kidney Pills are especially prepared for weakened or disordered kidneys—been gratefully recommended by thousands.

The following statement proves the merit of Doan's.

Henry Howard, Prospect Ave., Pineville, says: "About two years ago I had an attack of kidney and rheumatic trouble. I had sharp cutting pains through my limbs and morning I was so sore and lame I could hardly walk. My limbs were swollen and a dent remained in the flesh when I pressed with my fingers. My kidneys acted irregularly and the secretions contained sediment. Doan's Kidney Pills relieved the rheumatic twinges, regulated my kidneys and I was free from all the aches and pains in my limbs."

Price 60c in all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Howard had. Foster-McBurn Co., Mfrs., Buffalo, N. Y.

ORDERS.—Board of Council City of Barbourville, Ky.
Regular Meeting adjourned Feb. 18, 1919.

RESOLUTION stating the necessity for and the purpose of the Board of Council of the City of Barbourville, Kentucky, to cause certain streets of said city hereinafter named, to be improved and constructed at the expense of the abutting property owners, with vitrified brick, common brick, reinforced concrete, asphalt, Kentucky rock asphalt, or tarvia, including concrete curb and gutter, brick gutter, cobblestone gutter or earth gutter, grading the same and installing necessary drainage and tiling.

WHEREAS, each of the streets of the City of Barbourville, Kentucky, hereinafter named, is in a deplorable state of repair; the health of the people is menaced by the accumulation of dirt, dust and mud and stagnant water; and the immediate and permanent improvement of each of said streets is hereby declared to be a necessity.

Be it therefore RESOLVED, by the Board of Council of the City of Barbourville, Kentucky, that the following streets of said city, viz:

1. The Public Square.
2. Main street from Cumberland river bridge, northerly, to the city limits.
3. Knox street, from east curb line of Public Square to west curb line of Allison avenue.

25. Richmond street, from east curb line of Allison avenue to west curb line of Depot street.
26. Knox street, from west curb line of Public Square to end near T. J. Hale's.
27. Ballard street, from south curb line of Knox street to Cumberland river.
28. Johnson Lane, from east curb line of College street to city limits.

be improved by paving the same with vitrified brick, common brick, reinforced concrete, asphalt, Kentucky Rock asphalt, or tarvia with concrete curb and gutter, brick curb and gutter, cobblestone gutter or earth gutter, or grading with drainage and tiling; and it is the purpose of the Board of Council of the city of Barbourville, Kentucky, to enact an ordinance as to each of said streets for said improvement at the cost of the owners of the lands, lots and parts of lots fronting and abutting each of said streets under the ten year plan of payment, said cost to be apportioned according to the front feet of property owned by each person, firm or corporation fronting and abutting said street.

written petition designating which of the materials above specified shall be used in the construction of said streets or any one of them.

Said ordinance will be enacted at the expiration of thirty days after the publication of this resolution.

Approved by the Mayor
February 8th, 1919.
Thos. D. Tinsley, Mayor
Attest: John Parker, City Clerk.

Dave Ballard is working as an extra in the phone office.

Mrs. P. V. Cole, of Harlan, is the guest of her daughter, Mrs. W. S. Hudson.

Mr. John M. Tinsley, of Harlan, was here early in the week looking after business matters.

Gas development and freedom from taxation for a number of years will make Barbourville a manufacturing center. Encourage the work.

Miss Laura Hayes has just returned from Cincinnati and is preparing for an early spring millinery opening.

Miss Mary Boone Hingsley, who is well known in this city as trimmer for Miss Hayes, will be with her again this season.

A. H. Owens, of Artemus, has sold his farm to Cale Williams, ex-Assessor of Knox County. The sale was made on account of impaired health.

Little Carrie Stanfill has returned from Richlands, Va., where she has been with her brother. She will attend school here and make Barbourville her home.

J. B. Price and son report a big sale of furniture as a result of their recent advertising. It pays to let the public know that you appreciate their business by going after it.

Miss Nancy Jones and Miss Flora Howard entertained Saturday night at the home of Miss Jones. Thirty-five couples were present. A delicious salad course was served.

Protracted meeting have been held at Swan Pond by Rev. Jas. H. McDonald and at Swan Lake by Rev. Carroll of Brush Creek. Both meetings have been a success and several persons have been gathered into the fold of the Church as a consequence.

Miss Mary Ann, who has been teaching a music class here and who at Artemus, has given them up and returned to the Louisville Conservatory of Music where she will be several months studying music under the artist teacher, Mr. Caird.

Hiram H. Owens has bought from the Barbourville brick Co. the brick house down toward the brick yard and opposite the McDermott property. He has already been approached by a prospective tenant who expects to turn it into a store.

Hon. James D. Black, Governor of the State of Kentucky, has returned from an intensive campaign in a few of the counties west of Louisville and states that he is optimistic as to the race for the governorship. If he wins or loses the next contest, Barbourville is proud of the fact that one of her citizens should have occupied the chair of the State Executive.

OIL NOTES

Fishing for tools is now going on at the S. B. Dishman well, three miles east of town. The Jones sand will probably be entered this week and the indications for oil are fine.

The Wyoming-Nevada Oil Co. is arranging to start two wells at once, north of Barbourville, on Little Richland Creek.

The Iris Oil Co. that is operating in the Ranger fields of Texas, also Lee County Ky., has taken over 1000 acres in Knox Co. and is arranging to drill a deep test well, starting within thirty days. The location of the well is not yet known but will be north of Barbourville beyond any of the old development.

C. C. Bolter, of Winchester, at one time with the Ohio Oil Co., is organizing a company in that city to drill two or more test wells in Knox County. He is a man of experience and believes he can get results in going after the Irvin sand in this county. All geological calculations demonstrate that the Irvin sand extends thru the greater part of Knox County but whether oil will be developed remains for the drill to show.

The More You Use Your Car The More You Need Good Tires

Your car's usefulness is increasing every day.

It is becoming more and more of a real necessity to you—both in your business and home life.

For that very reason you need good tires, now more than ever.

The out-and-out dependability that created so tremendous a demand for United States Tires in times of war is just as desirable today.

It reduces tire troubles to the vanishing point—multiplies the usefulness of your car and putting the cost of operation on a real thrift basis.

United States 'Nobby', 'Chain', 'Usco', and 'Plain' are the most popular fabric tires built. They have all the strength and stamina our years of experience have taught us to put into tires.

There is also the United States 'Royal Cord' the finest built for passenger car use.

Our nearest Sales and Service Depot dealer has exactly the treads you need for your car and the roads you travel.

He will gladly help you pick them out.

We trust the little fellow, who has very winsome manners may be helped to the extent that the sight of the eye may be restored.

Dreadful Cough Cured

A severe cold is often followed by a rough cough for which Chamberlain's Cough Remedy has proven especially valuable. Mrs. F. W. Olson, Marysville, Mo., writes: 'About two years ago my little boy Jean caught a severe cold and coughed dreadfully for days. I tried a number of cough medicines but nothing did him any good until I gave him Chamberlain's Cough Remedy. It relieved his cough right away and before he had finished taking one bottle he was cured. I think it is just fine for children.'

"They certainly have bargains" is a common expression of people who have attended the big Victory Sale now going on at the New York Store. They don't share in them?

Feb. 5th, the infant child of Mrs. Emma Broughton passed to eternal rest at 14 months, 1 day. Interment at Johnson graveyard.

The body of the little baby of Mr. John Sanders from down town was shipped to Barboursville for interment Monday.

Crowds attended the first Victory Sale at the New York Store and numerous salesmen and customers gave prompt attention to the sale.

AUTOMOBILE FOR SALE. A cylinder, Studebaker, in good shape. For cash or real estate. G. L. Dickinson.

WANTED. Man past 30 with horse and buggy to sell Stock Condition in Knox County. Salary \$100 per month. Address 424 South Main St., Indianapolis, Indiana.

Mr. and Mrs. Will Powell, who lived with his father, died on Monday night, February 4th. The family were at one time and Herbert, son of deceased is the only family who escaped the disease.

You will miss the chance of years if you fail to make your purchases for spring and summer wear at the Victory Sale at the New York Store.

Miss Sharp, who came to the home of her brother-in-law, Aroh Leger 10 miles down the river, to nurse her brother who was suffering from pneumonia, died this week from the same disease. The boy's mother had already given up her life in the same service. Interment at Floyd graveyard.

Indigestion. Take a few doses of Chamberlain's Tablets as directed for indigestion, and you will soon forget about your stomach troubles. Try it.

Feb. 5th John O. Cain of Barboursville died at Eastern State Hospital, Lexington. The remains arrived here on the 11th and were interred at Goshen cemetery. A wife and two children survive.

The big stock of the New York Store, now being sacrificed at unheard of prices in the big Victory Sale, is your opportunity. Your neighbor is taking advantage of it. Why not you?

T. G. Gregory, son of Mr. and Mrs. J. A. Gregory who was wagoner in the Supply Company, 17th Infantry, was discharged from Camp Taylor, Louisville, Ky. on Feb. 10th. However, he spent seven months at Camp Meade, Md. He says he greatly enjoyed army life. Mr. Gregory will resume his dental studies at the University of Louisville during the September term. His many friends are glad to see him home once more.

NAUSEALESS CALOMEL IS BEST FOR FLU

Doctors and Druggists' Claim Calomel, the Nausealess Calomel, Is Best Laxative for Colds, Grippe and Influenza.

At the first sign of a cold, is the time to take a Calomel. The perfected nausealess calomel that has all the liver benefits left in and the astringent taken out. Doctors say that there is nothing like it to put your liver right and keep your system in condition to resist and avoid colds, influenza and pneumonia.

The best insurance against influenza and pneumonia is a good active liver and your physician or druggist will tell you that Calomel is the most thorough and effective, as well as the safest and most agreeable remedy for this purpose.

One Calomel at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your eating, pleasure, or work. Next morning you awake feeling fine with a hearty appetite for breakfast. Your cold has vanished and you are ready for work or play. Calomels are sold by druggists everywhere in sealed packages price thirty-five cents. Your money bought right, but if you are not satisfied, return it.

Mrs. Chas. D. Cole, the guest of Mrs. John M. Tinsley, received a message from Indianapolis Tuesday that her brother is very ill.

Noah Smith, of Elys, was in town Tuesday on business.

T. J. Perry of Gray, Ky. who has a son in France was in town Tuesday with his daughter-in-law, and her baby, making out an application for the boy's release from the army on the ground of the young wife's dependency she being unable to provide for the baby and herself. Mr. Perry states that all the young mother has drawn in nine months is \$15.00 of her husband's pay.

John L. Powers, who was formerly interested in the Horse Creek Coal Company sold his interest to Mr. Green. He expects next year to open a business department at the Baptist Institute. Since the schools give largely to theoretical knowledge of a business procedure, the operation of a business department by Mr. Powers at the Institute will be a great advantage to that fine institution and to the young men and women of the county.

Willie T. Stewart, son of Mr. and Mrs. Corey Stewart, of Fount Ky., is home from Camp Sheridan, Ala., where he received his training in the 67th Infantry. Another of our boys who received his honorable discharge from the same camp is John C. Stacy, son of Mrs. Silvanie Stacy, Girdler, Ky., who was attached to Company C, 26th Machine Gun Battalion. These two young men willingly left their plowshares to don the honored khaki and, tho they did not have an opportunity to fight the common foe, one has only to look at their sturdy make-up to know that they would have given a good account of themselves had they done so.

FOR SALE Four thoroughbred Duroc sows and one thoroughbred Duroc Male; also five shoats of same kind. Sows are bred for Spring pigs. These hogs are from the finest bred herds in Kentucky and Indiana. Call at Union College, Barboursville and see them.

GOOD POINTS IN AMERICANS

Mexican Recognizes Attributes He Believes Latins Might Copy to Their Advantage.

Let us recognize this: The poetry of the American character is shown in four devotions—to women, to children, to trees and to birds. These men, whom many people unjustly suppose to be rude; these men, who make millions; these men, who maintain the rule through immense deserts; who build up formidable industries, have in their spirit these four devotions, which honor them vastly and which not a few of us Latins would like to have for the better honor and embellishment of our common existence.

There are in compensation many children and flocks of birds. Children are the kings of the parks. Everything there is for them. They rule over all, and you may see them, as I did, in Rock Creek park (Washington), with their naked legs wading in the many small streams and shouting charmingly while splashing in the crystal of the water. Notwithstanding they are smaller than the children, the birds are little kings as well. Little kings that are respected not only in the air but on the ground. Sparrows I have found on the sidewalks among the hurrying throngs of people, jumping and hopping about—Carlos Gonzalez Pena, in Universal Illustrated, Mexico City.

To Remove Mildew. It is best to get at mildew stain right away before it has injured. First, try this mild treatment: Soak the stains overnight in sour milk and then place in the sun without rinsing. Repeat the treatment several times if necessary. If this does not remove them all, try lemon, mangle the stains with lemon juice and allow it to remain in the sun. If the stains are very persistent go to the druggist and ask for a few crystals of potassium permanganate. Dissolve one teaspoonful in a pint of water and apply a little of this to the stains with a medicine dropper or a clean cork and allow it to remain in five minutes. Remove any pink stain left by this chemical with a little oxalic acid. If used with care permanganate does not as a rule take out color, but try it first on an unexposed portion of the skirt.

Quotations. "Do you approve of quotations in speeches?" "Decidedly. Most speeches would be improved by introducing more quotations and leaving out all the original material."

GOOD ROADS

Tillman Cole reports a nice fill in at Jackson's Bottoms on the Dixie Highway, the grade having been practically completed for nearly a mile. V. D. Jackson and Jesse Turner are in charge of the work, which means a job well done.

The Fiscal Court is to be congratulated on its get up and get and so are the people on having men in charge who have undertaken the big job of taking Knox County out of the list of good road delinquents. Give them the high sign of appreciation when you meet them. They deserve it.

In an interview with the Advocate reporter, Tuesday, Judge J. D. Tuggle, of the Fiscal Court, was able to report some cheering news in regard to the Knox County roads in which he is taking such a deep interest. He stated that in the Fighting Creek division of the Dixie Highway A. J. Mitchell and Co. have done some fine grading. The Mason Construction Co. is at work between Bailey Switch and Corbin. What is of great interest is that the road will be gravelled in part at least this year.

We trust that the whole county will work for this highway as, when a real road is demonstrated the farmers will rise up on their toes and, like the little boy who had a spoonful of jam, demand more.

TUESDAY CLUB

Mrs. Walter Hudson was hostess for the Tuesday Club, Feb. 11. Fifteen members answered roll call with favorite quotations. After business was transacted, the following program was given: "Clemenceau—his popularity and leadership"—Mrs. Fred Burman. "Impressive Scene at Peace Conference"—Miss Gertrude Black. Mrs. James Tuggle was leader.

In a little contest, consisting of writing a compliment to a certain member, using as the first letter of each word the letters in order "Abraham" or "Lincoln", all members started. However, in the Presidential contest, seven members, Mesdames W. B. Minnion, E. T. Faillner, Fred Burman, A. W. Hopper, J. Hughes, Hugh M. Oldfield, and Miss Gertrude Black, had perfect answers. In drawing to untie, Mrs. John Hughes won a 10-cent stake. "Footpath to Peace" by Henry Van Dyke and Mrs. A. W. Hopper, President of the Club, received a prize.

The club will meet again decorated with ice, when the theme will be "The New Year's Resolutions" and a drawing which were given by Mrs. John Hughes. Mrs. L. L. Faillner was the winner. The program was given with the singing of the National Anthem, The Star Spangled Banner.

The club will meet again at the demonstration of cooking to be held at the High School, Feb. 25th, the next regular meeting will be postponed until Wed. Feb. 26th.

CIVIC LEAGUE

The Civic League, at its regular meeting at the home of Mrs. Frank B. Mettles, voted to put on a special campaign for new members. Committees were appointed for the accomplishment of this work.

Every woman in town should be a member of this Club. When the committee calls on you and asks for your name for membership, don't refuse. There is much to do on behalf of the town. Every woman in Barboursville stands for progress and it is only by uniting our efforts that we may hope to secure the best results.

The next meeting of the League will be held at the home of Mrs. J. A. Archer on Feb. 20th. Come and join us.

Getting rid of Colds. The easiest and quickest way to get rid of a cold is to take Chamberlain's Cough Remedy. This preparation has been in use for many years and its value fully proven. No matter what remedy you use, however, care must be taken not to contract a second cold before you have recovered from the first one, and there is serious danger of this. A man of middle age or older should go to bed and stay in bed until fully recovered. It is better to stay in bed three days at the start than three weeks later on.

DISSOLUTION NOTICE Notice is hereby given that the Maxey Jellico Coal Co., has dissolved the incorporation, and all persons who have claims against said company will present same to the undersigned. This is the second notice of dissolution. F. M. MAXEY, PRES.

WANTED. Agents to sell the Complete History of the Great World War, not in a life time will there be another book of such general interest offered. For agents outfit and terms, Call on or write S. SHAFER, General Agent, Pineville, Ky.

SHERIFF'S SALE By virtue of execution No. 1656 and 1654 directed to me which issued from the Clerk's office of the Knox Circuit Court in favor of The Commonwealth of Kentucky. Issued against Tip Jackson, Sherman Jackson and Thos. G. Hammons on execution No. 1656 and against Edward Black Letcher Jackson, Wm J. Black and Sherman Jackson on execution No. 1654.

I or one of my deputies will on Monday the 24 day of February, 1919 between the hours of 10 a.m. and 4 p.m. at the front door of the Court House in Barboursville, Ky., expose to public sale to the highest and best bidder the following described property, or so much thereof as may be necessary to satisfy plaintiff's debt, interest and cost, to wit: One lot in Artemus Kentucky levied on as the property of Sherman Jackson, known as the lot he bought of J. R. Jones and Fielding Gibson to satisfy the two executions No. 1656 for \$45.00 with interest from Apr 2, 1918 until paid and cost 60 cents, also execution No. 1654 for \$26.50 with interest from Jan. 1, 1918 until paid and cost 60 cents and the cost of the sale amounting to about \$25.00. The sale will be made on a credit of six months bond with approved security bearing interest at the rate of 6 percent per annum from day of sale and having the force and effect of a revolving bond.

Forty Five Years of Success The astonishing Record of PERUNA

Not a cure-all, but a rational remedy for catarrh and all inflammation and congestion of the mucous membranes.

Catarrh attacks the mucous linings, in any organ, in any part of the body. It is not, as some imagine, confined to the nose and throat, although nasal catarrh is the most common form and afflicts many people.

Peruna breaks down the tissue and the mucous membrane. Evidence of the ravages of catarrh are all around us. Without desire to alarm anyone, we say: "Guard yourself against catarrh as you would against the direst plague. Fortify your system. Take Peruna."

WORDS FOR THE SICK FROM THOSE WHO KNOW. "I have been cured of my catarrh and could get no relief from any other medicine. We have used it in the family and find it good."

MRS. CENTRY GATES, 8235 First Avenue, Birmingham, Alabama.

PERUNA LIKE A DIFFERENT PERSON. "Peruna has cured my stomach and I feel like a different person. I only took twelve bottles of Peruna and can eat anything without distress, some of my friends have got done for fifteen years."

W. J. J. THOMPSON, 1123 16th St., Columbus, Georgia.

FOR ALL FORMS OF CATARRH. Peruna is indicated for all forms of catarrh or catarrhal inflammation and congestion of the mucous linings in any part or organ, such as nose, throat, bronchial tubes, lungs, stomach, bowels, kidneys, bladder, etc. It is fine for coughs, colds and effects of the grip and an excellent preventive remedy. If you want health, insist upon having Dr. Hartman's World Famous Peruna Tonic.

Sold Everywhere. **WRITE FOR THIS BOOK.** All sick and suffering should write The Peruna Company, Dept. 8-52, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and contains perhaps just the information you are seeking. It is sent in a plain wrapper to any address.
